

DRAFT OF RESOLUTION TO AMEND STANDING RULE CD-19

Whereas, the language of the previous CD-19 has been reviewed by our insurer and they have recommended that the wording be updated to list the Crossroads District as “additional insured” rather than “also insured” to reflect current terminology,

Therefore, recommended that CD-19 be amended with the words “is to be listed as ‘also insured’” to be replaced with “shall be listed as ‘additional insured’”

So that the CD-19, as amended, will now read:

It is the duty of the Local Board of Administration to provide sufficient property and liability insurance for all buildings and vehicles operated by the local church (Discipline 782;29, 856:8). The district ***shall be listed as “additional insured”*** on all property policies. Coverage shall be reviewed annually. It is the duty of the Local Board of Administration to ensure that workers compensation is provided for all paid staff.
